**J. Keighley : Walks in the Yorkshire Dales: v. 2** before purchasing it in order to gage whether or not it would be worth my time, and all praised Walks in the Yorkshire Dales: v. 2:

Contains 30 family walks in each book, with maps and diagrams.

This is a delightful walking guide. I love the whole layout of the book, particularly Jack's gifted artwork. From the ninety walks featured in his original three-book series of "Walks in the Yorkshire Dales" Jack Keighley has selected, revised and updated his fifty favourites. This book strongly tempts me to take a closer look at walking in Yorkshire! Joyce Wilson The Keswick Reminder May 06About the AuthorJack Keighley is a Lancastrian who for many years has lived in Yorkshire and has derived great pleasure from walking in the Dales- one of England's most beautiful and spectacular natural areas.
