The 30 circular family walks in this guidebook are on the North York Moors in the National Park, covering remote stretches of the high moor, gentler sections along the moor's flanks and the coastline from Redcar as far south as Scarborough. In the first of two volumes Jack Keighley describes and illustrates 30 circular walks which collectively incorporate every type of landscape to be found within the Park. Hand-written and profusely illustrated in Jack Keighley's unique and highly distinctive style the walks range from 4 to 8 miles, making them ideal as half-day family rambles.

About the Author Jack Keighley is a Lancastrian who for many years has lived in Yorkshire and has derived great pleasure from walking in the Dales- one of England's most beautiful and spectacular natural areas.
