Editors of Wallpaper Magazine : Wallpaper City Guide: Amsterdam (Wallpaper City Guides) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Wallpaper City Guide: Amsterdam (Wallpaper City Guides):

Think of an interest, or a need, for the day (or evening) and you will find something here that will surprise and delight. Neither a "best of" nor a "see every wonder" compendium, it's a rich source for modern Amsterdam and those items selected for inclusion. 0 of 2 people

found the following review helpful. The non-guidebook guidebook By Anthony Yanow Thin, light and right to the point. There is info in this book, but not much of it. I don't like guidebooks to begin with so a light, easy to pin down one like this is passable. You won't find most things, but the stuff that is in here is decent or better - it has very select information.

Wallpaper* City Guides are a ruthlessly-researched, design-conscious guide, for the discerning traveller who wants to come away with a true taste of the best a city has to offer.

'The answer to every short-breaker's dream. The jewel-coloured guides look beautiful and are exquisitely designed.' The Times 'Gorgeous photography, sharp graphics, and design-savvy, waffle-free text, written by city insiders rather than bearded backpackers.' The Independent 'Glamorous, global and affordable.' Telegraph magazine 'Packed with insider knowledge and eye-catching photography.' Vogue 'Ultra-glam, uber-chic' The Observer 'Attractive and well-researched.' USA Today 'Ultra-stylish.' Time Magazine 'Sophisticated but simple.' The New York Times 'Small, stylish and beautifully illustrated, the Wallpaper* City Guides make everything else look old hat. ... The photographs and maps are superb.'
