**From Phaidon Press : Wallpaper City Guide Barcelona 2011 (Wallpaper City Guides)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Wallpaper City Guide Barcelona 2011 (Wallpaper City Guides):

Concise, useful guide for modern travelersBy sergeyThese guides are not for everyone. But if you're interested in art, modern amenities, and unusual shops, lounges, restaurants, and local flavor then it's for you. It provides some information about well-known highlights of the city, but it also tells you about

less popular destinations. Lots of photos. The guide presents you with options, but not so many that you can't decide. Great for business travel and short visits. But I would recommend a bigger guide for long stays. For its purpose the guide is excellent. 0 of 0 people found the following review helpful. Pretty OK By teefuhknee Solid recommendations, but not really comprehensive. Most of the suggestions are super expensive and I wouldn't be able to afford lounging around at expensive hotels and the like. But I appreciate the clean layout and design, just wish it had more variety of suggestions.

Wallpaper\* City Guides are a ruthlessly-researched, design-conscious guide, for the discerning traveller who wants to come away with a true taste of the best a city has to offer.
