Editors of Wallpaper Magazine : Wallpaper City Guide: Bilbao (Wallpaper City Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Wallpaper City Guide: Bilbao (Wallpaper City Guides):

1 of 1 people found the following review helpful. Barely the basics By Christopher Caswell Having never purchased a Wallpaper guide, I didn't exactly know what I was going to receive. In the end, I suppose it delivers what is inferred: a brief guide at a low price. However, what is in the guide is limited at best. I traveled to Bilbao on business, but not for a large conference or a structured stay where things would be planned by others. The book has a few nice glossy

pictures and some slim restaurant recommendations, but the book only served the purpose for having some information while a much better guide was being republished (Cardogan Bilbao and the Basque Lands). Even at the price, I would only recommend this book if you were a guidebook junkie who is not only well travelled, but a guidebook collector.

Wallpaper* City Guides are a ruthlessly-researched, design-conscious guide, for the discerning traveller who wants to come away with a true taste of the best a city has to offer.
