From Phaidon Press : Wallpaper* City Guide Copenhagen 2012 (Wallpaper City Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Wallpaper* City Guide Copenhagen 2012 (Wallpaper City Guides):

1 of 1 people found the following review helpful. Pint sized trendy travel guideBy Steven J. SpriglerNot an exhaustive travel guide by any means, but it covers a lot of trendier / hipper attractions. The back has adequate space for map making (graph paper included) and note taking. If you're in the market for a companion to a bigger more thorough travel guide and are into trendier sights then the Wallpaper guide is a good pick. It could be more in depth for sure and

a better mix of attractions aimed at all price points would be nice, but it definitely has some good sites to see and as previously stated will make a good companion to a larger travel book.

Wallpaper* City Guides are a ruthlessly-researched, design-conscious guide, for the discerning traveller who wants to come away with a true taste of the best a city has to offer.

Telegraph magazine 'packed with insider knowledge and eye-catching photography' Vogue 'Ultra-glam, uber-chic' The Observer 'Attractive and well-researched.' USA Today 'Ultra-stylish.' The photographs and maps are superb.'
