From Brand: Phaidon Press : Wallpaper* City Guide Copenhagen 2014 (Wallpaper City Guides) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Wallpaper* City Guide Copenhagen 2014 (Wallpaper City Guides):

2 of 2 people found the following review helpful. Little Change Since 2012 !By B. Olson If you already own the Wallpaper City Guide Copenhagen 2012, you certainly don't need this 2014 edition. 95% of the information is the same text and same photos. Yes, they've changed a restaurant or two, but that is not enough of a reason to buy this. If this is your first Wallpaper City Guide Copenhagen ... then this guide does have some useful and trendy tips when

visiting København -- what Monocle, Tyler Brûlé's magazine, recently called the most livable city in the world! 1 of 2 people found the following review helpful. Not so much
By Courtney Trump
Not sure if its this book or if Copenhagen is just that dull. Not worth buying..you're better off using google.
1 of 1 people found the following review helpful. Not even good for wallpaper
By Charlieo
This guide "sounds" great, just like the type of guide you'd want if you're an explorer or looking for something new, interesting and off the beaten path. It isn't great, It isn't even good. This guide has nothing to add to the information you can gather on the internet. Its small print is difficult to read, as are the paragraphs that are written in colored ink or on the dark corners of a given page; no prices or entry fees are associated with any sites, or restaurants. My copy is going back.

Wallpaper* City Guides are a ruthlessly-researched, design-conscious guide, for the discerning traveller who wants to come away with a true taste of the best a city has to offer.

About the Author
Wallpaper* City Guides are compiled by the magazine's travel experts, both by in-house editors, and correspondents who actually live in the highlighted cities, providing up-to-the-minute information.
