following review helpful. Overpriced, misleading, very small! Booooo! Can I give a negative score?By Michael EhrhartThis guide is way overpriced for what you get. And...pay close attention to the size...it looks like a nice 8-1/2 x 11 booklet but it is very, very small...4 x 6, I think... When you get past 40,you cannot read type this small. BIG MISTAKE ON MY PART. Thanks, ...youasked for my opinion...a very disappointing purchase!

Rigorously selected, the guides in this series include the ultimate places to visit and discover the best of design, art and architecture, to sleep, eat, drink, shop, exercise and relax. They are ideal for the weekend tourist, the business traveller, or even those enjoying an extended stay.
