Editors of Wallpaper Magazine : Wallpaper City Guide: Lisbon (Wallpaper City Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Wallpaper City Guide: Lisbon (Wallpaper City Guides):

6 of 6 people found the following review helpful. A guide only for fancy designBy Bjorn ClasenI had seen Wallpaper*'s city guides on display and liked the idea - and had been waiting for the opportunity to buy one. It became Lisbon.And true, the guide is handy (though unfortunately with a very use-sensitive cover) andbeautifully designed, a delight in typography, layout and photography.It does however not serve much more than that purpose: A fancy

companion only for a few fancy places and therefore deep pockets. So it's fun to try, or cool to have on your coffee table - but not overtly useful as an actual guidebook.

Wallpaper* City Guides are a ruthlessly-researched, design-conscious guide, for the discerning traveller who wants to come away with a true taste of the best a city has to offer.

'the answer to every short-breaker's dream ...The jewel-coloured guides look beautiful and are exquisitely designed.' The Times '...gorgeous photography, sharp graphics, and design-savvy, waffle-free text, written by city insiders rather than bearded backpackers.' The Independent 'Glamorous, global and affordable.' Telegraph magazine 'packed with insider knowledge and eye-catching photography' Vogue 'Ultra-glam, uber-chic' The Observer 'Attractive and well-researched.' USA Today 'Ultra-stylish.' Time Magazine 'Sophisticated but simple.' The New York Times 'Small, stylish and beautifully illustrated, the Wallpaper* City Guides make everything else look old hat. ... The photographs and maps are superb.' The Sydney Magazine About the Author Wallpaper* City Guides are compiled by the magazine's travel experts, both by in-house editors, and correspondents who actually live in the highlighted cities, providing up-to-the-minute information.
