Wallpaper* : **Wallpaper* City Guide Maastricht (Wallpaper City Guides)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Wallpaper* City Guide Maastricht (Wallpaper City Guides):

0 of 0 people found the following review helpful. Very Interesting GuideBy CustomerThis guide was much different from what I expected, but I'm very glad that I bought it. The contents are significantly different from the two other Maastricht guides I own, and much of the material is unique to this book. There is a significant focus on the architecture of Maastricht, and particularly on the modern buildings, which are rarely covered in other guides. Although I have lived in Maastricht for seven months, this guide is making me take a new look at some of the

buildings I've walked past many times, without noticing the details. The book could be improved by adding more details or more contents, but I'm very glad that I purchased this and recommend it for anyone who is going to spend any time in Maastricht.

The fast-track guide for the smart traveller.

'What's cool about Phaidon Press' Wallpaper City Guides is that they're small enough to fit in a purse or backpack, and colorful enough to find amidst all the other stuff crammed in there. What's even cooler is that they cut through all the regular travel-brochures and focus on the edgiest nightclubs, restaurants, hotels, gyms, spas and stores.' Sky-Delta Airlines 'Ultra-stylish.' Time Magazine 'Attractive and well-researched.' USA Today 'While the pocket-sized guides will look very slick lined up on a shelf, they're made for travelling.' Easyjet 'Concise, informative manuals from people who've actually been there. They're refreshingly devoid of details on the nearest backpacker's hostel, too. And they look very pretty.' Esquire 'Sophisticated but simple.' The New York Times About the Author Wallpaper* City Guides are compiled by the magazine's travel experts, both by in-house editors, and correspondents who actually live in the highlighted cities, providing up-to-the-minute information.
