From Phaidon Press : Wallpaper* City Guide Madrid 2012 (Wallpaper City Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Wallpaper* City Guide Madrid 2012 (Wallpaper City Guides):

1 of 1 people found the following review helpful. perfect for the unique spotBy Kindle CustomerTrue to form Wallpaper Madrid features special destinations not always covered in other guides. A definite must for the sophisticated traveler.2 of 2 people found the following review helpful. Not Comprehensive; OutdatedBy sehThis guide is probably not useful for the frugal traveler. Its recommendations are geared toward to those seeking hip (and

expensive) hotels, restaurants, and shopping. Most, if not all, of the restaurants featured are upscale dining establishments (\$50 to \$100+ per-person dinners), and some listings are outdated. For example, the lounge "Socialista" is closed and its website is not accessible, the restaurant "Fiamma" is closed, and the listed "Hotel QT" has been renamed "Room Mate Grace Hotel". The suggested hotels, like the restaurants, are also fairly expensive, albeit luxurious. I would purchase this guide only as an addition to another, more comprehensive guide on NYC. 2 of 2 people found the following review helpful. Excellent guide! By HMac This pocket sized guide is full of "in the know" knowledge of the coolest bars, restaurants and stores in New York City. You won't find the nitty gritty details about how to get cheap tickets to The Little Mermaid, because this book assumes you are cooler than your average tourist. Added bonus- it has a handy dandy fold-out front cover landscape photograph of the city and points out landmark buildings and bridges, so you can easily orient yourself in the city without looking like a tourist. Plus its smaller than your average paperback copy of "Bright Lights, Big City" so you can carry it with you on your visit without needing to pay a visit to the chiropractor.

Wallpaper* City Guides are a ruthlessly-researched, design-conscious guide, for the discerning traveller who wants to come away with a true taste of the best a city has to offer.

'The answer to every short-breaker's dream. The jewel-coloured guides look beautiful and are exquisitely designed.' The Times 'Gorgeous photography, sharp graphics, and design-savvy, waffle-free text, written by city insiders rather than bearded backpackers.' The Independent 'Glamorous, global and affordable.' Telegraph magazine 'Packed with insider knowledge and eye-catching photography.' Vogue 'Ultra-glam, uber-chic' The Observer 'Attractive and well-researched.' USA Today 'Ultra-stylish.' Time Magazine 'Sophisticated but simple.' The New York Times 'Small, stylish and beautifully illustrated, the Wallpaper* City Guides make everything else look old hat. ... The photographs and maps are superb.' The Sydney Magazine About the Author Wallpaper* City Guides are compiled by the magazine's travel experts, both by in-house editors, and correspondents who actually live in the highlighted cities, providing up-to-the-minute information.
