**Wallpaper\* : Wallpaper\* City Guide Porto 2016** before purchasing it in order to gage whether or not it would be worth my time, and all praised Wallpaper\* City Guide Porto 2016:

0 of 0 people found the following review helpful. Not helpfulBy Mary E. RivetThe guide presents a limited set of "curated" experiences that we did not find too helpful. We were surprised as we are big fans of contemporary art, architecture and design but somehow this guide didn't succeed in helping us steer our activities. Part of the problem, I think, is that because it leaves out the more conventional sites, it doesn't provide any help in making decisions...no info on trade-offs, what-not-to-miss, etc. We found the Lonely Planet guide far more useful.

The fast-track guide for the smart traveller Wallpaper\* City Guides present a tightly edited, discreetly packaged list of the best a location has to offer the design conscious traveller. Here is a precise, informative, insider's checklist of all you need to know about the world's most intoxicating cities. Whether you are staying for 48 hours or five days, visiting for business or a vacation, we've done the hard work for you, from finding the best restaurants, bars and hotels (including which rooms to request) to the most extraordinary stores and sites, and the most enticing architecture and design. Wallpaper\* City Guides enable you to come away from your trip, however brief, with a real taste of the city's landscape and the satisfaction you've seen all that you should. In short, these guides act as a passport to the best the world has to offer.
