groundBy S Alan StuartWallpaper guides are always good reads and accurate on the ground. The design-centric listings take you to areas that are easy to miss.1 of 1 people found the following review helpful. Cool book, but.....By QuixoteIn general, I enjoyed this book. It provided some great places and things to do that are "off the radar " in terms of tourist destinations. If you like to experience more of the city than just the over-hyped tourist spots and want to get a feel for what the locals see and do, this book will help. Be sure to call the restaurants of your choice ahead of time as more than a few of the ones listed were either closed for business or moved from the location listed in the book.

Wallpaper\* City Guides are a ruthlessly-researched, design-conscious guide, for the discerning traveller who wants to come away with a true taste of the best a city has to offer.
