From Phaidon Press : Wallpaper City Guide Rome 2011 (Wallpaper City Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Wallpaper City Guide Rome 2011 (Wallpaper City Guides):

0 of 0 people found the following review helpful. Excellent pocket-sized guide to all things hipBy AKI recently spent a day and a half in Rome, and this was an almost-perfect guide to all of the sorts of things I like to do when I visit cities. I say "almost" because there's no map! The book lists the street address for each destination, but fails to include info on how to get there (e.g., bus lines, nearest subway stop). So: buy this as a handy guide to all things hip and

happening, but also invest in an indexed street map so you can get where you want to go.
