Editors of Wallpaper Magazine : Wallpaper City Guide: Sao Paulo before purchasing it in order to gauge whether or not it would be worth my time, and all praised Wallpaper City Guide: Sao Paulo:

7 of 8 people found the following review helpful. Great, if you are RICH By E. Tompkins This little guide should not be used as your primary guide when going to Sao Paulo. There are basically no informative maps in it, the information is outdated, and most of the places it recommends are for those who have trust funds or are on the expense account (yes, even in Sao Paulo). Its reviews are entertaining but it lacks vital information that most tourists need to get around and acquainted with the city.

Wallpaper* City Guides are a ruthlessly-researched, design-conscious guide, for the discerning traveller who wants to come away with a true taste of the best a city has to offer.

'the answer to every short-breaker's dream ...The jewel-coloured guides look beautiful and are exquisitely designed.' The Times '...gorgeous photography, sharp graphics, and design-savvy, waffle-free text, written by city insiders rather than bearded backpackers.' The Independent 'Glamorous, global and affordable.' Telegraph magazine 'packed with insider knowledge and eye-catching photography' Vogue 'Ultra-glam, uber-chic' The Observer 'Attractive and well-researched.' USA Today 'Ultra-stylish.' Time Magazine 'Sophisticated but simple.' The New York Times 'Small, stylish and beautifully illustrated, the Wallpaper* City Guides make everything else look old hat. ... The photographs and maps are superb.' The Sydney Magazine
About the Author
Wallpaper* City Guides are compiled by the magazine's travel experts, both by in-house editors, and correspondents who actually live in the highlighted cities, providing up-to-the-minute information.
