From Phaidon Press : Wallpaper* City Guide Zurich (Wallpaper City Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Wallpaper* City Guide Zurich (Wallpaper City Guides):

Not the fault of the book, it is a wonderful pictorial of what is about in Zurich. I was looking for something more "Fodor-ish", how to use the city and the territory.1 of 1 people found the following review helpful. EhBy Emily J.Not a fan of my first Wallpaper guide. So little information

and what little it did have was all expensive stuff. Trip Advisor was far more helpful. Even for a one day trip, you'll want a better guide.
