**Selena Chambers : Wandering Spirits: Traveling Mary Shelley's Frankenstein** before purchasing it in order to gage whether or not it would be worth my time, and all praised Wandering Spirits: Traveling Mary Shelley's Frankenstein:

1 of 1 people found the following review helpful. If you love Frankenstein, you will enjoy this...By Ross E. LockhartA stunning presentation of Selena Chambers' epistolary travelogue exploring the locales of Mary Shelley's Frankenstein, this Tallhat Press chapbook includes breathtaking illustrations by Yves Tourigny, an afterword providing larger

context and history of the travelogue, and extensive notes. Fans of Frankenstein would do themselves a favor to pick this up before it goes out of print in early 2017. 0 of 0 people found the following review helpful. Five Stars By VirginiaBeautiful, heartfelt little volume of a mental and physical journey in Mary Shelley's footsteps. 0 of 0 people found the following review helpful. An Unusual and Delightful Journey By Jake Marley I am dearly hoping that Wandering Spirits will turn out to be the first in a series of literary travel books. Selena Chambers brings us along for an unforgettable journey through the world of Frankenstein, offering up charming insight into the past, and into her subject. The book felt like a really great escape, and with the beautiful artwork by Yves Tourigny it all came together in a perfect package. Highly recommended!

“...although Mary and these poets experienced a lifetime before they were thirty, here I was at 28, having never left my homeland. I needed to flee—go forth and find sublimity. What better guide than Frankenstein.” —Wandering Spirits: Traveling Mary Shelley's FRANKENSTEIN Six years ago, Selena Chambers turned her first major trip abroad into a literary scavenger hunt of Mary Shelley's FRANKENSTEIN. Visiting Geneva, Switzerland, Ingolstadt, Germany, and Chamonix, France over a series of several days, she found within the nooks and crannies of these modern European towns the residual Romanticism that inspired the teenage Mary Shelley and shaped her most famous novel. This special limited edition chapbook collects this Best of the Net nominated travelogue to commemorate the bicentennial of Frankenstein's conception during the week of June 16, 1816. Written in the epistolary vein as Mary Wollstonecraft and Mary Shelley, these letters portray Chambers' visits to three of the most important sites within literature and takes us all on a journey through the sublime.

About the Author Selena Chambers' fiction and non-fiction have appeared in a variety of venues including MungBeing magazine, Clarkesworld, The Non-Binary, Tor.com, Bookslut, Cassilda's Song (Chaosium, 2015), and The Last Session (Dunhams Manor Press, 2016). Her work has been nominated for a Pushcart, Best of the Net, and the Hugo and World Fantasy award. You can reach her at [www.selenachambers.com](http://www.selenachambers.com).
