ITM Canada : Warsaw Poland Map before purchasing it in order to gauge whether or not it would be worth my time, and all praised Warsaw Poland Map:

0 of 0 people found the following review helpful. REALLY?!?!By Nommi46Terrible! I just received this and tried to find where we were staying to no avail. We found the US embassy and backtracked to where our hotel should be and found that it was the insert of Old Town! Thanks so much for doing that. I wasted \$4.0 of 0 people found the following review helpful. This map was especially helpful to us since our hotel ...By Nickolyn RussellThis map was especially helpful to us since our hotel was a bit farther from some of the locations we wanted to visit. We found shortcuts to the locations which saved us lots of steps.1 of 1 people found the following review helpful. Met our every needBy B. JohnsonWe used this map for a two week excursion during the COP conference in 2013. It was an excellent way to plan out the day and to compare notes at night. During the day we relied on cell phones but the big picture this map affords made the most of the time we had in Warsaw. Great city! Great map!

This detailed plan of central Warsaw covers the area between the Ochota railway station and the Wisla River, and also part of Praga section on the eastern side of the river, including the ZOO. All of the museums are included, as well as a selection of hotels, churches, theatres, cinemas, and even a few gas stations. This is an excellent city plan, including insets of Warsaw Old Town (1:4,000), Greater Warsaw and Warsaw Metro Lines.

About the AuthorITMB Publishing (International Travel Maps and Books) of Vancouver, Canada, has published detailed reference and travel maps of countries, regions, and cities around the world since 1985. The company's titles include many that are unique or the first of their kind. ITMB has also published a travel map of Poland as well as maps of all neighbouring countries.
