**Antony Mason : Waterloo Beyond (Bradt Travel Guide Peruvian Wildlife)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Waterloo Beyond (Bradt Travel Guide Peruvian Wildlife):

Two hundred years after the battle, the area around Waterloo is a lovely landscape of rolling farmland containing

dozens of key sites, memorials and monuments to discover. But the Waterloo region offers far more than just a battlefield. A wealth of sights beckons the curious tourist, including the historic town of Nivelles with its towering Collegiate Church of Saint Gertrude, the exhilarating Walibi theme park at Wavre and the profoundly tranquil ruins of the Abbaye de Villers. Bradt's *Waterloo Beyond*, written by Belgium expert Antony Mason, gives practical advice from the best hotel and restaurant choices to festivals and events throughout the year. This unique tourist guidebook provides everything you'll need to get the very most from your visit.

About the Author Antony Mason has been writing about Belgium for some 20 years - a happy outcome of being married to a Belgian (a Walloon from Waterloo, as it happens). He is the "Brussels Expert" for the Daily Telegraph series of online city break guides and writes occasional articles for the Daily Telegraph Saturday Travel section (e.g. on the WW1 centenary commemorations, and the wonders of Belgian frites (chips)). His most recent Belgium-oriented publication is his translation and adaptation of *Le Gout des Belges* by Eric Boschman, called *A Slice of Belgium* in the English edition (Lannoo Publishers, 2014), a humorous analysis of what the Belgians really eat.
