whether or not it would be worth my time, and all praised Weekend in Rome (Weekend in Guides):

A series dedicated to the most desirable cities in Italy, to visit for a long weekend or more. Each book features four specially chosen itineraries accompanied by maps, guiding visitors to a host of unforgettable places both cultural and commercial, including museums, galleries, monuments, hotels, B&Bs, restaurants, cafes, and more. Italy's cosmopolitan capital is awash with art, architecture, and culture. Ancient ruins abound reminding visitors of the city's Roman past, and even earlier. Rome is a global city and, not surprisingly, the most visited in Italy. When it comes to sightseeing, there's no better place: the Colosseum, St. Peter's and the Vatican, the Spanish Steps, the Trevi Fountain, ...not to mention the restaurants and cafes, night life, and much more!
