**Charlie Loram : West Highland Way: 53 Large-Scale Walking Maps Guides to 26 Towns and Villages - Planning, Places to Stay, Places to Eat - Glasgow to Fort William (British Walking Guide)** before purchasing it in order to gage whether or not it would be worth my time, and all praised West Highland Way: 53 Large-Scale Walking Maps Guides to 26 Towns and Villages - Planning, Places to Stay, Places to Eat - Glasgow to Fort William

(British Walking Guide):

1 of 1 people found the following review helpful. Must have for the WHWBy Lindsay JadeWhile sometimes containing more detail than I could digest, it was indispensable on the trail. And I'd say half the folks on the trail had a copy. Accurate, informative, and the hand drawn maps were super helpful.0 of 0 people found the following review helpful. the confidence to get out and see the Highland as can only be experienced and enjoyed while trekkingBy Christopher EganThis book is informative beyond my hopes. The authors give me, at sixty-six, the confidence to get out and see the Highland as can only be experienced and enjoyed while trekking. They anticipated my every question.0 of 0 people found the following review helpful. Four StarsBy Tom JohnsonIt was very valuable to a first time hiker on the West Highland Way.

Fully revised 6th edition. The West Highland Way passes through some of the most spectacular scenery in all of Britain. From the outskirts of Glasgow it winds for 96 miles (154.5km) along the wooded banks of Loch Lomond, across the wilderness of Rannoch Moor, over the mountains above Glencoe to a dramatic finish passing Ben Nevis – Britain's highest mountain – into the centre of Fort William.

'The Trailblazer series stands head, shoulders, waist and ankles above the rest.They are particularly strong on mapping...' (The Sunday Times (UK))'I am very impressed by the mapping'. (Backpack magazine (UK))'A super, user-friendly guide' (Gordon Forrester, Loch Lomond The Trossachs National Park)'If I wrote travel guides I'd like to think that they would turn out like this one. It fits in a coat pocket, weighs 8oz, and although it had some rough use there was no sign of it falling apart'. (John Clarke, a user reviewing the book on .com )About the AuthorCharlie Loram was the series editor who developed this British Walking Guides series for Trailblazer. He has hiked in the Himalaya as well as in Wales and Scotland. He now runs outdoor survival courses in Dartmoor, Devon.
