Jonnie Godfrey : Western Crete: 8 Car Tours, 45 Long and Short Walks (Landscapes) before purchasing it in order to gage whether or not it would be worth my time, and all praised Western Crete: 8 Car Tours, 45 Long and Short Walks (Landscapes):

Sunflower Landscapes the hallowed blue books (Sunday Times)This new 9th edition of Western Crete has been carefully revised just a few months prior to publication, and all the maps have been redrawn using OpenStreetMap source material with GPS tracking.Key features: 45 long and short walks, colour-coded for grade 1:50,000 topo maps with waypoints free downloadable GPS tracks E4 long-distance hiking route highlighted on all relevant maps satnav coordinates to walk starting points 8 car tours and fold-out touring maps of both Western and Eastern Crete ideal for planning plans of Hania and Rethimnon strolls to idyllic picnic spots timetables for local transport online update service From the Preface:Mountains rearing straight up from the sea, deep wooded gorges, ravines and valleys and yet more glorious mountains, standing proud and acting as a magnet to the eye and the imagination thats Western Crete, or real Crete, as some would say. Its strong, dramatic scenery and colours create sweeping landscapes of harsh but beautiful countryside countryside that has been the backdrop for heroic deeds, ancient civilisations and constant intrigue for thousands of years, and the home of obdurate, tough-spirited people made so by their labours on the land and their experiences.Getting to know Western Crete takes time; the number of people who explore beyond the obvious is slowly growing. We hope we will lead you straight to the heart of the matter with this book, whether you are a first- or second-time visitor unsure about how best to get to know the island or, indeed, if you are someone who doesnt need convincing but would like a reliable, thorough and different guide. We encourage you to explore to the full. We wont need to inspire you; one look at Western Crete will do that.
