The humor is subtle and does not rely on jokes about passing gas or cheap sexual innuendo. If you need that kind of crass humor you will not think the book is funny (and you are probably a Yale man).If you like this book try Rocks on the Roof too.1 of 2 people found the following review helpful. Sorry I read it.By Laurence GoldsteinJim Backus was the voice of Mr. Magoo, the star of "I Married Joan," and featured in "Gilligan's Island." Henny Backus was a Broadway chorine who had a few roles in movies and tv. Together they wrote books described by Wikipedia as "humorous." This ain't.

Jim and Henny Backus write on anecdotes based on their 46-years together.
