Mike Haskins : When in Rome . . . : An Alternative Guide for World Travellers before purchasing it in order to gage whether or not it would be worth my time, and all praised When in Rome . . . : An Alternative Guide for World Travellers:

A side-splitting cultural etiquette guide to help travelers from embarrassing themselves, and their country, when vacationing abroad "La tua moglie sembra una donna amichevole." (Your wife looks like a friendly woman.) "Nackt sein ist eine gute sache." (It is good to be naked.) The perfect gift for the backpack, suitcase, or carry-on luggage, this hilarious book illustrates various nations' cultural and social etiquettes and customs and all the trouble they can bring when traveling abroad. It catalogs more than 50 nations' gestures, manners, and ways of expressing themselves

physically. For example, never put your hands on your hips next to a Mexican (you're asking for a fight), and never give an Iranian a thumbs up (it's rude). Trouble will ensue if you do! The savvy traveler will take this amazing travel guide with them when visiting other countries, read it, learn from it, and hopefully avoid getting punched in the face.
