DK Travel : Where to Go When Great Britain and Ireland (DK Eyewitness Travel Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Where to Go When Great Britain and Ireland (DK Eyewitness Travel Guides):

Tiny tiny print...unable to readBy ScottThe print is so tiny I can't read it. Already returned it.0 of 0 people found the following review helpful. Very small print - lovely bookBy GarnetSo love

this book and want to read, but even with my reading glasses the print is so tiny it's hard to read. I have no problem reading other regular type books with my reading glasses, but this is really a challenge.
