The organization, layout and content of this book is amazing! Tips on what to watch out for when buying...down to do's and don't like DO bring water on your hike as water is scarce in this particular trail. It is like having your own personal tour guide BEFORE you go. They tell you details of the the areas you can see during the months you want to go....including the average temperatures, logging rates, dining prices and so much more. A MUST HAVE BOOK!!!4 of 4 people found the following review helpful. The BEST Book for Serious Italian TravelersBy Sharon A. HinsleyI heard about this book when I watched a movie and at the end of it, there was an interview with the lady who wrote the forward in the book. We want to go to Italy in the near future but I don't want to go in the hot summer. This book gives you month-by-month when to go and what to do and which place to visit for the best experience ever. It is worth the price if you are serious about spending time in Italy. I also know that DK has books similar to this one about other countries. Very worth the price but be careful. You can look

around for pricing.0 of 0 people found the following review helpful. Photography insanely goodBy Roena CoppinI've only read about one chapter. This book is amazing. So many websites to research that it took me two months to go through a chapter, I'm not finished yet. Photography is beautiful, makes me want to go back.

Foreword by Frances Mayes, author of the bestselling travel memoir *Under the Tuscan Sun* *Where To Go When: Italy* is the essential vacation planner, unearthing the best of every region of Italy, month by month. Whether you're looking for a fun family getaway, a cultural weekend in the city, or a countryside retreat, *Where To Go When: Italy* suggests a multitude of appealing destinations and the best month of the year to visit each one. Written by knowledgeable travel writers with a passion for Italy, this book combines informative and inspirational narrative with truly sumptuous photography that brings each destination to life. Organized by theme-Festivals and Culture, Unforgettable Journeys, Natural Wonders, Luxury and Romance, Active Adventures, and Family Getaways-the book delivers something for everybody. Whether you want to visit the Venice Carnival in February or enjoy a relaxing week in Sardinia in June, the practical advice on local transportation, hotel and restaurant options, and the best activities and sights make finding your ideal vacation simple and fun.
