Ben Coates : Why The Dutch Are Different: A Journey Into the Hidden Heart of the Netherlands before purchasing it in order to gage whether or not it would be worth my time, and all praised Why The Dutch Are Different: A Journey Into the Hidden Heart of the Netherlands:

2 of 2 people found the following review helpful. QUICK READBy Julie from SydneyLittle nuggets of interesting

information and quotable quotes, but a fair amount of dross worth skipping as well. 0 of 0 people found the following review helpful. Great Writer. I am going to visit the Netherlands ...By CustomerGreat Writer. I am going to visit the Netherlands this spring to see the tulips. I am only 1/2 way through this book and enjoying every word. Just what I wanted...history mixed with current events, sprinkled with humor. The perfect book to help me learn about Dutch culture. 2 of 2 people found the following review helpful. READ THIS BEFORE YOU FLY OFF TO AMSTERDAMBy CustomerThe perfect book to read before you go to the Netherlands. Devoured it, laughing out loud often. A very nice mix of history, current events, and personal experience, written well and entertainingly.

A SCOTSMAN TRAVEL BOOK OF THE YEARStranded at Schiphol airport, Ben Coates called up a friendly Dutch girl he'd met some months earlier. He stayed for dinner. Actually, he stayed for good. In the first book to consider the hidden heart and history of the Netherlands from a modern perspective, the author explores the length and breadth of his adopted homeland and discovers why one of the world's smallest countries is also so significant and so fascinating. It is a self-made country, the Dutch national character shaped by the ongoing battle to keep the water out from the love of dairy and beer to the attitude to nature and the famous tolerance. Ben Coates investigates what makes the Dutch the Dutch, why the Netherlands is much more than Holland and why the color orange is so important. Along the way he reveals why they are the world's tallest people and have the best carnival outside Brazil. He learns why Amsterdam's brothels are going out of business, who really killed Anne Frank, and how the Dutch manage to be richer than almost everyone else despite working far less. He also discovers a country which is changing fast, with the Dutch now questioning many of the liberal policies which made their nation famous. A personal portrait of a fascinating people, a sideways history and an entertaining travelogue, *Why the Dutch are Different* is the story of an Englishman who went Dutch. And loved it.

'The book never feels self important and Coates never weavers in his determined efforts to uncover and reveal the identity of the Dutch.'--The San Francisco of Books'In *Why the Dutch are Different*, a torch beam of scrutiny plays across the country's past and its lesser known foibles. Author Ben Coates has produced an insightful gem.' -Scotsman, Travel Books of the Year'A book as quietly appealing as its subject and full of fascinating details. Coates is entirely convincing in his affectionate portrait.' -Bronwen Maddox, Prospect'Vivid and informative. Coates intertwines the nation's journey to its modern iteration with his own adaptation to the Dutch lifestyle. An accomplished debut.' -Geographical'I thoroughly recommend this book. *Why the Dutch are Different* provides the answers to all the questions I had but didn't dare ask about the Netherlands. I eagerly sat up late into the night reading, laughing often and enjoying the ride into my adopted homeland.' -DutchNews'Fascinating. Thoroughly researched and well thought out, *Why the Dutch are Different* takes us on a journey that goes beyond red-lit windows and Anne Frank to the true depths of the country. Ben Coates's day-to-day life sits effortlessly alongside deeper dives into history and folklore. A friendly read that strikes the right balance between teaching and entertaining.' -Bookbag'One of the few books on our near-neighbor, Coates gets under the skin of a nation renowned for its liberalism.' -The Bookseller
