Five StarsBy Candace S. HuxholdLots of information I didn't know. Sure there is a second book in there.0 of 0 people found the following review helpful. City never learned from there mistakesBy Huldah J. WhiteWell, I must say, everything is true in the

book, and so much more that wasn't mention.As you read, you think "what next."

Muncie is the classic small American city. But for much of the past two centuries, the city fell victim to murder, corruption and the bizarre. Mayor Rollin Bunch went to prison for mail fraud, while his police commissioner faced a murder rap. Viola Babe Swartz ran a brothel out of a truck stop that was raided by police at least a dozen times but ran for sheriff in the 1974 primary election. June Holland, of the locally famous Holland triplets, killed her neighbor for refusing to sell her house. Authors Keith Roysdon and Douglas Walker explore the notorious and unusual side of Muncie's history.
