Carol Klein : Wild Flowers: Nature's Own to Garden Grown before purchasing it in order to gage whether or not it would be worth my time, and all praised Wild Flowers: Nature's Own to Garden Grown:

0 of 0 people found the following review helpful. Five StarsBy CustomerLove her books0 of 0 people found the following review helpful. Five StarsBy ElizabethThe information in this book is priceless!

Carol Klein delves into the story of each plant, full of myth, legend, and country lore, and as always shares her practical expertise, passing on hints and tips, including which variations to go for, how and where to plant, and what with, for the most spectacular results. Containing 32of Britain's favorite wild flowers and their home-grown descendents, structured by season and illustrated with Jonathan Buckley's amazing photographs, this book of botanical wonders will inspire, surprise, and inform gardeners of all levels.

About the Author Gardening expert, broadcaster and writer Carol Klein is familiar to all as a permanent presenter on Gardeners' World, but she also contributes to a number of publications, including Garden News, Gardens Illustrated and Gardeners' World Magazine, and is the author of five other books, including three top ten bestsellers, Grow Your Own Veg, Grow Your Own Garden and Life in a Cottage Garden.
