Dave Hamilton : Wild Ruins: The Explorer's Guide to Britain Lost Castles, Follies, Relics and Remains before purchasing it in order to gage whether or not it would be worth my time, and all praised Wild Ruins: The Explorer's Guide to Britain Lost Castles, Follies, Relics and Remains:

0 of 0 people found the following review helpful. Lovely BookBy JudyKLoved looking thru this book. I want to plan a trip specifically to visit some of these sites.2 of 2 people found the following review helpful. Excellent resource for adventurersBy Jan M. ReberWhat an EXCELLENT guide to the fabulous ruins of Great Britain. It is one of the only books I'll be sticking in my backpack for a trip this summer. Great descriptions of how to get to the sites, info on safety concerns, lovely pictures and well organized.0 of 0 people found the following review helpful. Treasure-trove of unique and seldom seen locals.By Fred WilderThis book will be in my pocket on my next visit to the U.K. Even if you are only an armchair explorer this is a great read. I would Imagine Television and Motion picture location scouts will find this book a treasure-trove of unique and seldom seen locals for shooting.

Discover and explore Britain's extraordinary history through its most beautiful lost ruins. From crag-top castles to crumbling houses lost in ancient forest, and ivy-encrusted relics of industry to sacred places long since over-grown.

From the Author Wild Ruins was my most ambitious project to date. As you may imagine, researching and visiting so many ruins was no easy task! However after many, many early mornings, leading into late nights, travelling thousands of miles and over-coming my innate lack of organisation I pulled it off-I wrote the book I have always wanted to and I had a real blast on the way. It is rare for an author (especially and English one) to say he is proud of his work but I am proud of this book. If you are visiting anywhere in Britain I would strongly recommend Wild Ruins in your backpack or suitcase. You are just one click away from a real adventure.
