Discover over 150 magical places to swim and explore in Spain. With stunning photography this book reveals the best crystal mountain lakes, secluded lake-side beaches, and turquoise pools hidden deep in waterfall-filled gorges. With recommendations for places to camp and eat this is all you need to take you off the beaten track.

About the AuthorJohn Weller is an all year round wild swimmer, lido-lover and landscape photographer from London.

Lola Culsan is a half-Spanish ex-stand up comic who teaches, writes and swims. They have been adventuring across Spain - charting its secret rivers, lakes, and waterfalls - for the last three years. They can often be found travelling in their 20-year old campervan with their teenage boys and some Elvis tunes.
