Alan Ogden : Winds of Sorrow: Travels in and Around Transylvania before purchasing it in order to gage whether or not it would be worth my time, and all praised Winds of Sorrow: Travels in and Around Transylvania:

Winds of Sorrow is an eclectic collection of essays compiled by the author during his travels to Transylvania in

northern Romania between 1998 and 2004. What was at first a mere inkling of a name on a map in a faraway Ruritanian land unfolds into an exotic medley of fascinating people and picturesque places. Along the way he knocks the Dracula myth on the head! The complex truths behind the convoluted history of Transylvania are revealed as the reader journeys to the medieval towns and villages of this former Principality, once famous throughout the courts of Europe. These are journeys not to be missed.
