John Martin Robinson : Windsor Castle: The Official Illustrated History before purchasing it in order to gauge whether or not it would be worth my time, and all praised Windsor Castle: The Official Illustrated History:

1 of 1 people found the following review helpful. Eye candy plus detailed historical commentary By LDI already own the Official Guide. This book compliments it by showing watercolor paintings of how some of the most spectacular rooms looked once the original interior decorating was finished. Some don't look the same now. Where the room photos are the same, this book's are larger- some a full page (including many historical world-class paintings). I love being able to look at the details close up. There is enough difference between the two books to make each one valuable in its own right. Together, you feel like you have experienced more and enjoyed it more than even being on the tour. 0 of 0 people found the following review helpful. Five Stars By Robert W. Gordon very well done---1 of 1 people found the following review helpful. Windsor Castle By Guillermo Elias Nice book. Interesting text. Good colour Photographs. Fine paper. Well documented.

The official illustrated history of Windsor castle illustrated in color.

About the Author John Martin Robinson is a prolific writer on British architecture. He is the author of a companion volume on Buckingham Palace and also wrote the official guidebooks to both Buckingham Palace and Windsor Castle. He is Librarian to the Duke of Norfolk and Maltravers Herald of Arms Extraordinary.
