Jean-Francois Lemoine : Wonderful Provence before purchasing it in order to gage whether or not it would be worth my time, and all praised Wonderful Provence:

Depending on the time the visitor has to spend here and his choice of places to visit, he will see so many historic, legendary and artistic sights that it is impossible to give details of them all, nor even to list them! The area can justifiably be proud of having the desert-like rocky plains of the great Crau, the arid jagged peaks of the Alpilles, the scrub around Uzès and Nîmes, or the picturesque Camargue delta.
