**John Ruler, Emma Thomson : World War I Battlefields: A Travel Guide to the Western Front (Bradt Travel Guide Peruvian Wildlife)** before purchasing it in order to gage whether or not it would be worth my time, and all praised World War I Battlefields: A Travel Guide to the Western Front (Bradt Travel Guide Peruvian Wildlife):

4 of 4 people found the following review helpful. A very complete guide for visiting British battlefields of WW1 ...By Warren E. Austin  
A very complete guide for visiting British battlefields of WW1. I found it lacking in similar depth for French or American battlefields. Little on Verdun and no mention at all of the largest American cemetery of the war.  
2 of 2 people found the following review helpful. Good basic book  
By Doug Siegfried  
Good basic information about the WW I battlefields and how to get there. Does not delve too deep into the history but just enough to keep you interested. Appears to be lacking information about the American battlefields such as Belleau Woods  
0 of 0 people found the following review helpful. Beware  
By E. P. Schreier  
Squalid little book with little or nothing to offer the tourist. The few maps are hardly worth the effort as they are too small in scale to be of use. Totally lacking in AEF sector information.

The First World War was one of the deadliest conflicts in human history and changed the face of foreign policy and European geography forever. Despite the wealth of literature on the subject Bradt's World War I Battlefields is the only compact practical travel guide to cover both French and Belgian battlefield sites. Produced in a lightweight and portable format, the guide will cover all the main memorials and museums alongside practical information on how to book the best guided tours or find the resting place of family members lost in battle. Published to correspond with the centenary of the War's outbreak the book covers an area that received 212,701 visitors in 2012 from the UK alone.

'A slim volume, fitting into virtually any bag or pocket, its main achievement is the joining up of the dots along the whole Western Front. It's an ideal companion for both Western Front novices and more seasoned explorers.' Best of British  
'A compact guide covering all the main museums and memorials' France Magazine  
'This slim volume is the ideal pocket book for anyone planning a visit to the battlefields.' Good Book Guide  
'Good overview of the main sites.' Travel Which  
'Extremely well-written, with some panels reading like pieces of literature rather than some dry guidebook entries'. Engineering Technology Magazine  
'A comprehensive but easily digestible travel companion' My Weekly  
Featured in Good Motoring Magazine  
About the Author  
The authors, John Ruler and Emma Thomson, are both members of the British Guild of Travel Writers and have each previously written a Bradt guide on the area.
