Chris Heath : Ye Olde Townships - Denby Dale, Skelmanthorpe, Clayton West District before purchasing it in order to gauge whether or not it would be worth my time, and all praised Ye Olde Townships - Denby Dale, Skelmanthorpe, Clayton West District:

Prepare to take a stroll back through time in and around the villages of Denby Dale, Skelmanthorpe, Clayton West, High Hoyland, Cumberworth, Scissett and more. This book is a wonderful visual celebration of the villages and hamlets of the Upper Dearne Valley, sited in the beautiful countryside between Huddersfield, Barnsley and

Wakefield. Over 400 previously unpublished images dating from the late Victorian era through to the mid twentieth century have been brought together in this new collection which complements and adds to previously published works by the Author. These images capture the essence and spirit of this rural area and also document the changes that have occurred over the years.

About the Author Chris Heath has been researching local history for over thirty years. He is the author of nine previous works, which include the highly influential Denby and District series, the successful Ye Olde Township series and the History of the Denby Dale Pies - Ten Giants.
