Guide to the Great Conflicts on Yorkshire Soil 937 - 1461:

A fascinating history of all the medieval battles in this pivotal, strategically important English county and its capital city of York. Illustrated throughout with reproductions, engravings and photographs, the book takes the reader from the battles with the Norse invaders right through to the Wars of the Roses. As well as detailed descriptions of the major engagements, there is a guide to each of the battlefields for the modern visitor.

About the Author Graham Bell was born an only child in 1955. His interest in history began at the age of sixteen while studying for his history examinations, he eventually went on to study History and English at the University of Sheffield and Kings College, London. His interest in history led him to write articles for the Battlefields Trust and also saw him appear as a contestant on Mastermind, his chosen subject being the life of Edward IV. Graham is currently employed at the Post Office and lives in Sheffield.
