**Mike Bagshaw : Yorkshire Dales (Bradt Travel Guides (Slow Travel Series))** before purchasing it in order to gage whether or not it would be worth my time, and all praised Yorkshire Dales (Bradt Travel Guides (Slow Travel Series)):

The Yorkshire Dales is one of the best loved and most visited National Parks in Britain. This guide celebrates the

beautiful limestone landscapes it contains, both above and below ground. It encourages visitors to stray away from the honey-pot venues, sampling wildlife in the hidden corners and meeting the true Dales-folk in sleepy villages off the beaten track.
