Mabey : Yorkshire Dales (English Landscapes) before purchasing it in order to gage whether or not it would be worth my time, and all praised Yorkshire Dales (English Landscapes):

Captures the drama and intrinsic beauty of one of the most scenic parts of England. Broad open dales dotted with the workings of man, bleak uplands, and isolated high hills are some of the features which make the landscape here unique. Writer and broadcaster Richard Mabey's essay eloquently encapsulates the essence of this distinctive landscape as Graham Nobles' gorgeous photographs bring it to life.
