Jean Patefield : Yorkshire Dales Teashop Walks before purchasing it in order to gauge whether or not it would be worth my time, and all praised Yorkshire Dales Teashop Walks:

These 20 circular walks explore the natural beauty of Swaledale, Wensleydale, Nidderdale, Wharfedale and the Western Dales. There are riverside walks by the banks of the Wharfe and waterfalls at Hawes and the Strid. Other routes include hillside walks to the ancient town of Reeth; moorland walks at Brimham Rocks; the romantic ruin of

Bolton Abbey; and the awe-inspiring landscape of the Malham area.
