From Flame Tree Publishing : Yorkshire wall calendar 2015 (Art calendar) before purchasing it in order to gage whether or not it would be worth my time, and all praised Yorkshire wall calendar 2015 (Art calendar):

The Art of Fine Gifts: Step back in time with this stunningly nostalgic black and white wall calendar. With photography spanning as far back as the 1880s, you'll get a real sense of regional heritage. Yorkshire is a county with much to offer, and much of this is captured in the striking photography of this calendar which ranges from Micklegate Bar in York to the Fish Market in Scarborough.
