**From A C Black Publishers Ltd : Yugoslavia (Blue Guides)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Yugoslavia (Blue Guides):

This new Blue Guide provides detailed coverage of Yugoslavia, its complex history, rich artistic heritage and varied beauty. The 34 itineraries are illustrated and include a route map and many plans. Introductions to the history, art and architecture of Yugoslavia have been specially commissioned for the guide. Paul Blanchard lives in Florence, where he teaches art history. He is also a freelance writer, an editor and the author of "Blue Guide Southern Italy".
