**Piers Letcher : Zagreb: The Bradt City Guide (Bradt Mini Guide)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Zagreb: The Bradt City Guide (Bradt Mini Guide):

0 of 0 people found the following review helpful. LackingBy Planaria J. PriceAs a guide it was a real disappointment.....Mostly restaurants and hotels, etc. I wanted an in depth history of the city and detailed walks and information. There's more than maybe 40 museums in Zagreb and the Guide just listed a few. I definitely don't recommend it at all.1 of 1 people found the following review helpful. Great Pocket Guide to ZagrebBy D. KaspersenAn interesting, accurate, and irreverent guide to visiting the fascinating city of Zagreb in 2013. It proved to be very helpful whether we were figuring out how to mail souvenirs home from the post office or just prioritizing our time for viewing museums. Speaking of that, there are several superb museums and this guide led us to five really interesting ones - if there were better museums available than these we should be spending a lot more time in Croatia.1 of 1 people found the following review helpful. Perfect size, put your phone down and wanderBy Sycamore CalvertFull of information and detailed maps, great pictures, I cannot wait to visit this city

Zagreb is the latest in the series of Bradt city guides to some of the world's most fascinating, yet less well-known city destinations. With its old-world Austro-Hungarian feel, lively street cafes, and beautiful setting, Croatia's capital is the perfect short-break destination. The city's compact size and unspoilt charm make it an ideal weekend break, with a sparkling cultural scene offering everything from affordable world-class opera to free summer concerts.

About the AuthorIndependent writer and photographer Piers Letcher has published 15 books, along with more than a thousand newspaper and magazine articles and hundreds of photographs.
